# ‘Brilliant’ readers hit halfway mark

GENEROUS readers have helped us hit the halfway mark in the *Weekly News* £40,000 St Nicholas Hospice at Home Appeal – in just six months!

Hospice chief executive Barbara Gale visited Haverhill Golf Club on Tuesday to accept a bumper £4,000 cheque. The money was raised at the Haverhill Charity Golf Classic in June and took the appeal total beyond the £20,000 mark.

The hospice also collected a separate donation of £1,623.

The appeal was launched in February and the money will be used to pay for patients in the Haverhill area to receive services in their own homes, rather than having to travel to the hospice in Bury St Edmunds.

Mrs Gale said: "It is absolutely brilliant.

"I think the people of Haverhill have done so well to raise so much money in really quite a short period of time.

"Hospice at Home will mean we are able to keep people in their own homes and give them a good quality of life and support without having to come to the hospice.

"I think the success of the appeal highlights the need. People give money where they feel there is a gap. Many people have been touched by this, whether through friends and relatives with serious illnesses or through needing the service themselves.

"We are very grateful to them all."

Chris Briggs, president of Haverhill Golf Club and chairman of the organising committee for the annual Charity Golf Classic, handed over the cheque.

# Golfers play a round to help good causes

## ■ From Page 1

He said the charity classic has raised more than £100,000 for various charities over the past 10 years.

"I am ecstatic that our donation takes the appeal over the halfway point. I am very proud of the members of Haverhill Golf Club because that is where the money has come from.

"We are very grateful to our sponsors, Haverhill Rotary Club and the Haverhill Golf Club."

Nigel Brookes, editor of the *Weekly News*, said:

"To reach the halfway point of such an ambitious total in just six months is incredible.

"Many thanks must go to the Charity Golf Classic organisers and those who took part for raising such a magnificent amount.

"But we are also very grateful for all those local businesses, community groups and countless individuals who have been working tirelessly since February to keep the total ticking over with donations, big and small – it all helps.

"While we should be celebrating this milestone, we cannot forget that we still need another £20,000 to reach our goal. Hospice at Home will provide much-needed care and support for local people.

"We at the *Weekly News* are proud to be part of this fundraising appeal and we are now calling on readers, advertisers and local businesses and groups to get behind the push for the final £20,000."

ing ideas on (01440) 703 891 or email [editorial@haverhillweeklynews.co.uk](mailto:editorial@haverhillweeklynews.co.uk)

■ Terry Bishop, Haverhill Golf Club captain, also handed over £4,000 cheques from the event to the East Anglian Children's Hospices and to Malcolm Smith, Chairman of Haverhill Rotary Club for their local charity fund.

St Nicholas Hospice also received another cheque for £1,623 from last year's captain, Peter Bowers, from his Captain's Charity Fund.

## Vehicles targeted

POLICE are appealing for information after a spate of thefts from vehicles and damage on the same night in Haverhill.

Incidents occurred at Helions Park Gardens, Old Rope Walk, Butley Court and Covehite Court between 3pm on Sunday and 10.20am on Monday.

Windows were smashed and vehicles searched, with items including cash and satellite navigations systems stolen.

Owners are reminded to remove items of value from unattended vehicles, including any accompanying leads, chargers and cradles.

Calls in relation to these incidents should be made to Pc Michael Potter at the Haverhill South Safer Neighbourhood Team on (01284) 774100, or Crimestoppers on 0800 555111.

## Suspects bailed again

FIVE people arrested in Haverhill in May on suspicion of possessing Class A drugs with intent to supply have been re-bailed until October.

Two 17 year olds and a 24 year old from Haverhill, as well as a 23 year old and a 20 year old from London, answered bail at Bury St Edmunds Police station this week after being arrested in Haverhill on May 26.

Their bail was extended until October 21 at Bury St Edmunds Police Station.

## Where is Rover?

## How can you help us hit the £40,000 target?

WE CANNOT reach our target without your help – so the *Weekly News* wants to hear from anyone who is organising fundraising discos, barbecues, dances or other events to boost the hospice appeal.

Tell us what you are planning and we will help publicise

your event to make sure it is a success and raises as much money as possible. If you already have an event organised, why not pledge all or part of the proceeds to the appeal and benefit from the extra publicity to help a really good cause? A special bank

account has been set up at Barclay's Bank. Cash or cheques can be paid in directly to the St Nicholas Hospice at Home Appeal, sort code 201612, account number 80981842. ## Office to stay, with changes

A PENSIONER has lost his battle to get a large office building close to his home removed – but additional conditions have been imposed to reduce its impact on him.

Members of St Edmundsbury Borough Council's development control committee carried out a site inspection last Thursday at Limes Passage off Mill Road in Kedington to consider an application to retain a modular office for a two year period.

Councillors were recommended to approve the application at their meeting last month, but agreed to carry out a site inspection after neighbour John Swan said the building was an eyesore which overshadowed his home. He also complained that a crane had ripped up his driveway when it was installed.

Temporary consent was granted for two years subject to existing conditions, one of which was amended so that no retail or wholesale sales could be carried out from the office. Additional conditions were added that a fence on top of a wall should be maintained to screen the building, the building should be painted green and that the window overlooking Mr Swan's home should be obscured.

## Police link vandalism

THREE vehicles were broken into – one of them an attempted theft – in Haverhill over the bank holiday weekend.

The incidents are being linked by police.

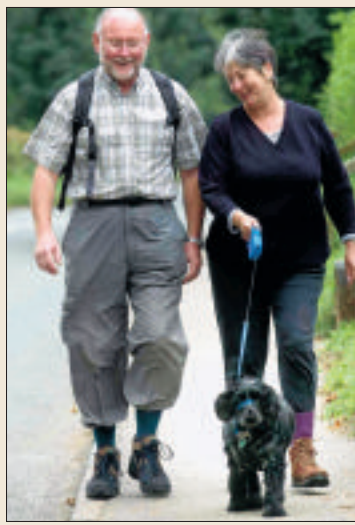

One, in Ruffles Road between 8am last Friday and 2pm on Monday, is being treating as attempted theft. The offenders broke into a blue Vauxhall Corsa in a car park and damaged its interior.

At Queens Court between 6pm on Sunday and 6.30am the following day, offenders broke into a red Ford Fiesta in a parking area and also damaged it inside.

At Mallow Walk between 8pm on Sunday and 9.15am the following morning, vandals broke into a red Ford Escort in a car park.

Calls in relation to these incidents should be made to Haverhill Police on (01284) 774100.

Alternatively, call Crimestoppers on 0800 555111 with any information.

## Dogs join rambling owners for a stroll around grounds

RAMBLERS got the chance to wander around the extensive Thurlow Estate owned by the Vestey Family on Bank Holiday Monday and raise money for the village churches at the same time. A sponsored walk

was organised along the paths, lanes, fields, woods and gardens of the estate, with proceeds going to the churches of Great and Little Thurlow. Route maps and guidance were handed out at the

start at Thurlow sports ground and those taking part were asked to pay a minimum of £10 sponsorship money, plus £2.50 for a dog. The distance covered was around six miles, including some rugged terrain.

# Delay to vote on unitary proposal

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

HAVERHILL Town councillors have delayed a decision on proposals for a unitary authority for rural Suffolk, saying they do not have enough information to form a view.

An item on the agenda at Tuesday night's council meeting allowed members of the public to comment on options to shake-up local government in Suffolk, followed by consideration of the council's response to the Boundary Commission's proposals.

The commission has recommended creating one unitary authority for Ipswich and Felixstowe, moving Lowestoft into Norfolk and creating a second rural Suffolk unitary authority, which would include Haverhill.

But members of the public and councillors attending the meeting said they were unclear about the proposals put forward, saying they left many questions unanswered.

Gordon Mussett, Haverhill town clerk, said there was a lack of information on exactly how the new authority would work.

It was unlikely that any more details would be forthcoming before the consultation deadline at the end of September. But he agreed that maintaining the status quo was not an option.

Speaking as a member of the public, Frank Bradsell he was "perplexed" by the plan and had hoped councillors would be able to clarify the position for him.

He said: "We feel we are sitting here in the dark. All I can gather is that we have got 2.5 councillors representing us on the county council now and that may go up to 3.5. What a load of rubbish."

"I really would like you people to discuss this matter not just as councillors, but as members of the community."

Cllr Maureen Byrne sympathised with Mr Bradsell's view and said it was important for the public to have their say on the issue. But she said the town council had not yet decided what would be best for Haverhill.

She said: "It is a very complicated proposal and needs to be given proper time and consideration because its impact for Haverhill will be significant and substantial."

Ron Hartley, a former member of West Suffolk District Council and Suffolk County Council, said: "I am appalled at the thought of Haverhill becoming part of a unitary authority for the whole of Suffolk."

"There should be an east/west split, we are far too remote from Ipswich."

Members agreed to a suggestion from Cllr Anne Gower that another meeting be held after councillors had attended regional meetings to question representatives from the Boundary Commission, and parish meetings had been hosted by St Edmundsbury Borough Council.

She said: "All I have got at the moment is more questions and no-one has a crystal ball, they could change their minds and leave things as they are."

"Haverhill is going to be the second largest town in the unitary authority and we need to have our voices heard."

## Call for help to catch attacker

POLICE have issued an image of a man they would like to trace following a sexual assault of a woman just over two weeks ago.

The incident happened at around 9.20pm on Sunday, August 10, when a man grabbed a woman from behind as she walked near Castle Avenue in Haverhill. She screamed, struggled free and ran away.

Police are not linking the incident to the serious sexual assault on a 12-year-old girl near the town's Railway Walk on Thursday, July 24.

The man is described as white, in his early 20s, around 5ft 7in tall, of medium build with short hair, a small nose and big lips. He was of scruffy appearance wearing a navy hooded top and white trainers.

Police want to hear from anyone with any information about the assault, as well as two people the victim passed as she walked. She passed a young female with a girl aged around three on Beech Grove. She also passed a man of large build, wearing a t-shirt and jogging bottoms and walking a black Labrador near Castle Manor School.

Calls in relation to this incident should be made to Pc Andrew Green at Haverhill police on (01284) 774100 or Crimestoppers on 0800 555111

## Laura meets Prince's challenge

A STUDENT who boosted her own confidence by helping others through a community project has received a Prince's Trust award.

Laura Mason, 18, from Haverhill, was among the fourth Prince's Trust team to receive their awards at a ceremony at West Suffolk College, to celebrate their success in completing the team building programme.

Neal Tarbet, Prince's Trust assistant team

leader, said Laura lacked motivation and confidence when she started the course, but she soon became an active and very popular member of the team. He said: "When she first arrived she was very nervous and stayed close to the two people who joined with her. She was adamant that if they left, she would leave but in the end she stayed on and achieved without them."

"Laura started on the programme with very

little in the way of educational achievement but has learned a lot and successfully completed all her folder work."

The programme offers exciting challenges which help build each student's confidence and motivation while increasing their skills and qualifications, enabling them to progress either to employment or on to another course at the college.

The students carried out

a community project at the college's Sunshine Nursery, painting the decking, archway and walls in the garden in bright primary colours.

The team raised £305 towards the cost of the project through a range of activities which included three students being handcuffed for the day, a sponsored silence, a no-smoking day and stalls selling cakes and bric a brac. # Rush for jobs at new cinema

MORE than 100 people have come forward to snap up the jobs on offer at Haverhill's new cinema. The complex is due to open in October and its manager says he cannot wait for the big day. Paul Willden has recently been appointed to head up the five-screen Cineworld complex and was overwhelmed with the response to an open day and recruitment session held last week. There will be between 30 and 35 jobs created when the cinema opens and Mr Willden has been carrying out second interviews with candidates this week – from among more than three times that number of hopefuls. At just 29, Mr Willden is already an experienced cinema manager with eight years in the industry, working in

London and Manchester, the last four of them with Cineworld. He said: "We held group sessions for about 60 people last Thursday and then another 40 came to the open day on Saturday. We had a really good mix of ages and experience and they were all really enthusiastic and big film fans."

He added: "The first people I went to meet when I came here were the staff at the arts centre. Most of the towns where I have worked have an art house cinema and a mainstream cinema, and they have so much more than just cinema there. I think it will be great for the town to have both, I don't think we have

competing markets and we can have a good working relationship to help the people of Haverhill. "I am looking to get five of the biggest films I can to open with and we cannot wait to open. We also want to forge strong community links and give something back to the community in Haverhill."

# Teen grabbed from behind by attacker

A TEENAGER was subjected to an attack in Haverhill on Tuesday night by a man who grabbed her from behind.

But police say they are not linking it to a similar attack on a 12-year-old girl in the town last month.

The latest incident happened at Queensway, Haverhill, between 10.15pm and 10.45pm when a 16-year-old girl was grabbed from behind after a man had followed her from Western Avenue, Beech Grove and Eastern Avenue. She struggled free and the man left the scene along North Avenue.

The attacker is described as white, in his late teens, 5ft 6in

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

tall, of slim build, with spiky dyed blond hair. He was wearing a beige or cream hooded top, and black shoes.

Police do not believe the incident is linked to the attack on a 12-year-old girl on July 24, near the town's Railway Walk, but are keeping an open mind about whether it could be connected to other recent incidents.

Anyone who saw anything suspicious or who has information should contact Pc Matthew Dale on (01284) 774100 or Crime-stoppers on 0800 555111.

In the July 24 attack two 12-year-old girls were walking along

the Railway Walk from the town at around 1.50pm when they saw a man sitting on a bench near Dovehouse Road.

Moments later they were both grabbed from behind. One girl managed to struggle free and run for help, but the second was pulled into bushes and subjected to a serious sexual assault.

In other recent incidents, not believed to be linked, a woman was grabbed from behind at around 9.20pm on Sunday, August 10, at Castle Avenue, Haverhill. She screamed, struggled free and ran off.

On July 30, a man exposed himself while walking along the footpath near the new cinema and car park in Ehringshausen Way at around 4.30pm.

## Results we can all be proud of

Sir, An open letter to the students, parents and staff of Castle Manor Business and Enterprise College.

In February this year, Ofsted reported that the college was a "good school" with "outstanding features".

A-level and GCSE results show that this judgement was no flash in the pan. Every A-level student passed and GCSE results reached an all-time high. Nearly eight out of 10 Year 11 students obtained at least five A\* to Cs, double the performance five years ago. This year, only two other secondary schools in Suffolk have achieved more.

This transformation has not occurred without enormous commitment from the

students and staff. Everyone is proud of the college and determined that when Ofsted report in 2011 or 2012, our good school will be rightly judged "outstanding" - the highest accolade that Ofsted can give.

My colleagues and I offer our heartfelt congratulations to the students who have achieved so much, to the headteacher and staff who have helped them to do so and to the parents and carers who have supported the college through thick and thin

## Advice at hand for pensioners

OLDER people will get the chance to raise issues with Age Concern Suffolk when the group continues its quarterly visits to Haverhill.

The next "information help desk" will be at the Haverhill Day Centre in Camps Road on Monday, September 15 from 10am to noon.

Helen Taylor, Age Concern Suffolk's information manager, said: "The help desk offers local older people the opportunity to come and talk to our friendly customer service staff in Haverhill about any issue that is of concern to them."

"We have a huge amount of information at our fingertips and can offer a range

of services to assist local older people to stay independent.

"There is no need to make an appointment, the help desk will be available to all local older people anytime between 10am and noon on the day."

"Private interview facilities are available at the day centre and I really hope that local people will come and see us to ask questions and share problems."

The help desk is held on a quarterly basis, with a further visit to Haverhill planned for Monday, December 8.

For more information about the help desk, or Age Concern Suffolk's services in the Haverhill area, phone (01284) 757750.

## Hunt for attackers

POLICE have renewed their appeal for information about an assault on a teenager in Haverhill.

The teenager was attacked by a gang of five thugs in Haverhill on Saturday, August 9.

The incident took place in Beech Grove at the Western Avenue end at around 10.30pm, not in Eastern Avenue as previously

stated. The teenager was attacked in the street by the offenders who knocked him to the ground and assaulted him.

He suffered facial injuries and bruising to the body.

Calls in relation to this incident should be made to Pc Guy Turnbull at Haverhill Police on (01284) 774100 or Crimestoppers on 0800 555 111.

# Top marks for GCSE students

STUDENTS at both Haverhill upper schools have been celebrating an outstanding set of GCSE results.

Pupils at Castle Manor Business and Enterprise College achieved the college's best ever results, with 79 per cent collecting five or more A\*-C grades and 100 per cent five or more A\*-G grades.

Headteacher Madeline Vigar said: "These results maintain the trend of rapid and significant improvement in standards at Castle Manor over the last five years. Students and staff have worked tirelessly to ensure success."

"Today's results are the outcome of hard work and the college's outstanding curriculum which is designed to meet every student's needs."

"I am particularly pleased with the achievements in mathematics – standards have risen dramatically this year because of the additional attention we give to this important subject."

Top performing students at Castle Manor were: Corey Smith with one A\*, six As, one B, two C grades and an AS Level grade B in English; Laura Coles with one A\*, four As, three Bs, three C grades and an AS Level grade B in English; Marie Lancaster with four A's, three As, three Bs, two C grades and a AS Level grade B in English; and Lee Mayes with five A's, two As, two Bs and three C grades.

Lee managed to combine his GCSE studies

with playing in Haverhill Silver Band, as well as appearing in Centre Stage company and school drama productions. He said "I did work really hard, but this is definitely more than I expected. I am really proud of what I have achieved."

Fellow student Steven Marsh combined working on an engineering apprenticeship at Machinepart Engineering with achieving an A grade in music GCSE, as well as being a member of rock band Solstice, which won this year's Haverhill Band competition.

He said: "I am more of a 'hands on' person, so the apprenticeship suits me, although music is my real vocation."

At Samuel Ward Arts and Technology College, there was a 76 per cent five or more A\*-C pass rate.

John Knighton, deputy headteacher, said the results were a significant improvement on the previous year:

He said: "There has

been a steady improvement over the years, but this is actually quite a jump up with some really superb results."

"Obviously there are the few at the top with As and A's, but we are really pleased that a lot of our students in the middle range did really well too and everyone will be able to go on and do what they want to do."

At Samuel Ward, the top students were: Eleanor Pickett who got nine A's and two As; Heidi Making with four A's and seven As; and Rob Wilson with three A's and five As.

Eleanor, who also won a Young Chef of the Year competition while at the school, said: "I am really, really happy with my results. I have been working really hard, but I did a lot better than I expected."

Heidi, who plans to go to university to study fashion journalism, said: "I was quite nervous about even opening my results. I definitely did better than I expected."

"I got very stressed and was working all the time, but it was worth it in the end."

# Helpers needed at computer museum

**VOLUNTEERS are needed to help organise the collection at a computer museum in Haverhill.**

The Centre for Computing History was funded in 2006 to create a permanent, public exhibition that tells the story of the information age.

Among other items, the centre owns an internationally significant collection of computers, related artefacts, memorabilia and associated materials. It also featured in the channel five documentary, *Brits Who Made the Modern World*, last week.

But it desperately needs a librarian or archivist to deal with its growing collection and documents.

The centre's museum section already holds thousands of documents, magazines, books, DVD, tapes, microfiche, software and discs that need to be

catalogued and entered on to computer, which in turn will automatically update its website.

The centre's website is one of the largest of its kind on the internet and has gained an international reputation as a first class research tool. In addition, a very important and unique private collection of computer texts and literature has just been donated to the centre from the London area.

Facilities for volunteer work are available at the centre, which is open 9am to 5pm weekdays, or anyone with a computer, a scanner and an internet connection could also work from home. An understanding of computing would be a huge advantage but is not essential.

■ **INTERNATIONALLY IMPORTANT** ... a visitor to the museum checks out some of the old computers. The museum is calling for volunteers to help organise the growing collection. CP

Secretary of the centre's executive committee, Dr Lisa McGerty, said: "We're a small team with a big job to do, so we need more help to keep the Centre for Computing History moving forward."

"This is already proving to be a fun and engaging project that offers a lot of satisfaction."

"Anyone willing to play a role in the centre's programme will be contributing enormously to the wider community."

"Volunteers are an integral part of the centre. From its founding in 2006 by volunteers, to the unpaid staff of today, this institution could

not function without them."

She added: "We have an exciting year ahead."

"As the centre's profile gathers momentum and we develop educational and community programmes, it's crucial that we find dedicated volunteers to grab hold of these projects and carry them through to success."

"Centre volunteers are needed in many areas to provide meaningful and valuable services as well as to contribute ideas to the centre."

The centre has a growing collection of more than 2,500 items, including historic

computers such as the Altair 8800, the first home computer, which was directly responsible for the birth of the computer industry and other nostalgic machines such as the Sinclair Spectrum, Commodore 64 and Atari 2600.

It aims to create a world-class visitor attraction in Haverhill that will help to enhance the town's profile.

The museum can currently only be viewed by appointment.

Anyone interested in visiting or finding out more about volunteering should ring the centre on (01440) 709794.

## Fayre offers jam-packed programme

SAMBA dancers, tail wagging dogs and a rodeo bull are just some of the attractions on offer at the annual Thurlow Fayre on Sunday, September 7.

A packed show will start at noon with Linton Radio Race Car Club demonstrating their models, racing around the ring and over ramps.

They will be followed by the Wagtail Dog Agility Display Team whose dogs will go through their routine of jumping small fences, agility tests and running through tunnels.

The highlight of the afternoon will be the colourful Suffolk School of Samba, who will bring a carnival atmosphere to the occasion with their unique brand of Brazilian dance and music.

Other local attractions will be the Suffolk Royals Majorettes who will perform a marching display and Maypole dancing from Thurlow Primary School.

Saffron Walden Swing Band will provide music for visitors to the tea tent, while there will also be a rodeo bull, pole jousting, bungee run and bouncy castle for children.

A family *It's a Knockout*-style contest is being organised by Thurlow Primary School involving both children and parents.

The ever-popular car boot sale starts from 11am and there will also be a host of side stalls including the bottle stall, where Barclays Bank have once again agreed to match funds through their Community Scheme. Half of the proceeds raised will go towards HAWK (Haverhill Adult Weekly Klub) and the other half will help Thurlow and Bradley Pre-school, which is fundraising for a new building.

## Communication boss is named

A COUNCIL at the centre of a row over the appointment of a chief executive with a £220,000 salary has now appointed a communications boss with a pay packet of more than £81,000.

Caryl Jackson, former head of communications at Glasgow City Council, has been appointed by a councillor panel to be the new head of communications at Suffolk County Council.

Cllr Jeremy Pembroke, the council leader who chaired the appointment panel, said: "We have been able to appoint an outstanding candidate in Caryl Jackson."

"She impressed the panel with her experience in running the communications department in Britain's third largest city, as well as at the Local Government Information Unit in London."

"There are major challenges facing local government in Suffolk over the next few years, and Caryl is exceptionally well-qualified to explain to residents how we will continue to provide excellent services."

## Metals theft

THIEVES stole brass and copper items after breaking into a yard in Haverhill over the Bank Holiday weekend.

The theft happened at Phoenix Road between last Friday, August 22 and Tuesday, August 23.

Thieves gained entry by damaging a fence. Around 65 brass fuel caps and copper piping were stolen. Calls in relation to this incident should be made to Haverhill Police on (01284) 774100.

■ WEEK OF FUN . . . above and below, the group of young dancers enjoyed activities throughout the week.

CP.

## Dancers get moving at summer school

YOUNG dance fans picked up some new moves during their holiday at a summer school run by Colette's Entertainment School.

The week-long event was staged at Haverhill Arts Centre with visiting teacher Alex Warren, who previously toured with *High School Musical*. She passed on tips to the youngsters, who include Colette's regular pupils and others from outside the group.

They spent the week dancing, singing and

looking at issues that affect them.

On the last day, students performed for an audience of family and friends, as well as enjoying a Prom Ball with an Oscars night and everyone taking part receiving an award. Students from the school also showed the town what they could do by providing entertainment during the interval at the latest Saturday night concert on the Market Square, hosted by Haverhill Town Council.

## Tee off for hall charity

GOLFERS are invited to take up their clubs again for the Sturmer Village Hall Charity Golf Tournament, on Friday, September 19 at the Haverhill Golf Club.

The annual event, now in its seventh year, will follow a teams of four Stableford competition format over 18 holes, with the two best scores counting on each hole.

The competition is open to all golfers and offers a day of networking, socialising and sporting fun.

Proceeds from the tournament will go towards running and maintaining Sturmer Village Hall. The hall is a registered charity run by a small voluntary committee, and is completely self-funded.

This year, organisers were delighted to have a formal listing in the golf club's fixture list and the full support and assistance of the golf club captains and committee members. Two thirds of the course at Haverhill Golf Club is actually located in Sturmer.

Teams are now being invited to take part in the event. To sign up a team of four, contact Ann Aken on (01440) 708063.

# Invite to make it big in 2012

BUSINESSES are being invited to start competing for benefits from the 2012 Olympics in London.

With the Olympic Games in China now over, West Suffolk College is inviting employers to join them for breakfast to find out how to get the most out of the Olympic challenge.

The meeting will be held on Thursday, September 18 at Chilford Hall, Linton, and is an opportunity to explore the support and funding available to organisations for employee training, ensuring that they stay ahead and

stay competitive.

Consultant Simon Colbourne, of Skills for Logistics, will provide an overview of the significant opportunities to be involved with preparations for 2012, which exists for businesses in most sectors.

He will also talk about the Compete4 website, which has been set up on behalf of the English Regional Development agencies to enable businesses to access and compete for games-related contracts.

Chris Woods, head of the Suffolk School of Management,

based at West Suffolk College, will talk about the training that will be available to support organisations with their preparations. The skills needed include: project management, how to respond to invitations to tender, environmental management, leadership, contract management, health and safety, negotiation and presentation.

Attendance at the breakfast is by invitation only. Contact Anne Bligh at West Suffolk College on (01284) 716320 or email [anne.bligh@wsc.ac.uk](mailto:anne.bligh@wsc.ac.uk) to reserve a place.

## In search of sports stars

TOP sportsmen and women, teams, unsung heroes and those who have triumphed against adversity can all be nominated for the Suffolk Sports Awards.

Suffolk Sport, in partnership with BBC Radio Suffolk, wants to find the county's sporting heroes, athletes, coaches, volunteers, clubs, schools and teams. The awards give members of the public the chance to nominate their chosen stars of 2008 in 12 categories.

A panel of judges will meet to shortlist candidates and select their overall winners.

An awards spokesman said: "The Suffolk Sports Awards is about recognising and rewarding those individuals from around the county who have achieved, dedicated or inspired people within the sporting community."

"Nearly everyone involved in sport can think of at least one deserving person. We want to hear about it so get nominating."

"Last year's awards were triumphant. Our Young Sports Personality of the Year, Leigh Greenan, went on to become BBC East and Sport England East winner too."

The deadline date for all nominations is next Thursday. Anyone who wishes to nominate can contact Chloe McMorrnan on 07770 543509 or email [chloe.mcmorrnan@waveney.gov.uk](mailto:chloe.mcmorrnan@waveney.gov.uk)

■ **COMMUNITY ASSET** . . . MP Richard Spring was on hand to try out the equipment installed as part of phase one of the playground project. Fundraisers now need more cash to complete phases two and three.

## Fun day for playground

A FAMILY fun day will be held on the green in Stoke-by-Clare on Sunday to fund further improvements to the village playground.

The event will run from 1.30-4pm and include a bouncy castle, sumo suit gladiator contests, a bucking bronco, assault courses and face painting, with everyone welcome to join in the fun.

Alison Golding, a member of the Playground Friends group, said they only had enough money to complete the first phase on the playground, which was opened in June, and sadly the area had already been vandalised.

Now fundraising was continuing to fund phases two and three, which will provide more equipment for older children.

Future fundraising events include a Hallowe'en party, with a box provided for donations from those who do not want to be visited by trick or treaters, and a Christmas party.

# Landlord gets set for TV switchover

RESIDENTS in sheltered housing and communal flats will continue to enjoy their favourite television programmes and more when the national switch from analogue to digital services comes into force.

West Suffolk landlord Havebury Housing Partnership has begun work to ensure all of the communal TV aerials in its sheltered housing and other communal flats will be ready for the move.

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

Starting this year and ending in 2012, all TV services in the UK will gradually convert to digital, with Anglia region coming on stream in 2011.

Any television or recording equipment which is not changed from analogue to digital when the switchover takes place will no longer be able to receive programmes.

Heather Scullion, Havebury's supported housing manager, said: "We are preparing for the

digital switchover well in advance of the 2011 deadline.

"The quality of the signal will be better, giving improved picture quality, and residents will also enjoy the wider range of channels, on-screen TV listings and the widescreen picture."

There will be no charge to residents for the installation although a small maintenance fee may be considered in the future.

Any residents with questions on the digital switchover should contact Havebury on (01284) 722 175.

## Tune in to fun

THERE'S an evening of live jazz, theatre and comedy on offer at B Bar in Cambridge next Tuesday from 7pm to raise money for the city's community radio station, 209radio. The Posh Frocks and Dickie Bows fundraising event will see music from the Caxton Swing Band, sketches based on 209radio's own soap opera, Hills Road, and stand up comedy from local comedian Hannah Dunleavy, fresh from her debut at the Edinburgh Fringe Festival. Tickets are £40. To book, or for more information, visit [www.209radio.co.uk](http://www.209radio.co.uk). 209radio broadcasts in Cambridge on 105FM.

## Chip on tour

ELECTROPOP high rollers Hot Chip will be visiting the Corn Exchange in Cambridge on their latest UK tour. The band released their latest album, Made in the Dark, in February and this summer they performed at Glastonbury where they collaborated with London Grime star Wiley. They will be playing in Cambridge on October 30. To book tickets call (01223) 357851.

## Soul fusion

LOCAL acoustic jazz singer Beth Walthew will be at the Bun Shop on King Street, Cambridge, on Monday. Beth started out as a classically trained pianist and her recent work has fused soul and jazz. She will be joined by Irene Rae and Bernard Hoskin. The music starts at 9pm and entry is £4.

## Live, loud, out and proud for pink day

THE area's most flamboyant free festival takes place in Cambridge this weekend when bands, DJs, comedians, dancers and drag queens collide for a day of colourful fun. The Pink Festival on Saturday is the area's biggest gay festival and organisers predict around 15,000 revellers will descend on Cherry Hinton Hall for the event. There will be six stages around the site between

noon and 9pm featuring bands, acoustic acts and performance artists. Organiser Jo Tomkins says the festival is open to the entire community – gay, straight, young and old. "It's a case of mixing up some preconceived ideas about music festivals," she says. "So for instance we're going to get a drag queen hosting the alternative stage. We want to challenge images and

stereotypes. There's lot of straight people who will be coming to see their favourite bands but we want them to integrate with everyone else." The main stage will see performances from world music fusionists Sunday Driver, funk soul troupe Chichino and electro punks Tamakai. On the Alternative Stage will be sets from Cambridge Band competition winners The

Winter Kings, indie rockers Slummin' Angels and pop folk collective Strawbear. On the Cabaret Stage stand up comedians will rub shoulders with drag act The Fleurettes, comic musicians The Singing Dentists and an interpretative dance piece by choreographer Isobel Cohen based on Oscar Wilde's *The Picture of Dorian Gray*. For more details visit [www.pinkfestival.com](http://www.pinkfestival.com)

# Mamma mia! ABBA movie is finally here!

■ ON STAGE... organist Robert Wolfe.

ORGANIST Robert Wolfe makes a welcome return to the Haverhill Arts Centre next week.

Wolfe is recognised as one of the world's leading interpreters of the theatre organ and is famous for his Wurlitzer show at The Thursford Collection in Norfolk. He's on stage from 7.30pm next Tuesday.

■ Haverhill and District Flower Club has its monthly meeting at the arts centre next Monday at 7.30pm. This month's demonstrator is Barbara Collins with a "floral moments" theme. The club is always open to new members who are interested in learning more about the subject, come along and see for yourself.

■ Unexpectedly chosen to fulfil an ancient prophecy, Po finds his martial arts dreams come true when he

joins the legendary Tigress, Crane, Mantis, Viper and Monkey to study kung fu in *Kung Fu Panda* (PG) showing on Saturday and Monday at 2.30pm.

■ Finally, the film everybody is talking about, *Mamma Mia* (PG) is showing on Saturday and next Wednesday through to Friday, September 5, at 7.45pm. Over 24 chaotic, magical hours, new love blooms and old romances are rekindled. Inspired by the storytelling magic of ABBA's songs, *Mamma Mia!* is a celebration of mothers and daughters, old friends and new family found. If you've seen the live show and think this will be a disappointment, you'd be mistaken. Come along and relive the magic.

■ For more details about the shows, or to book tickets, phone (01440) 714140 or go to [www.haverhillartscentre.co.uk](http://www.haverhillartscentre.co.uk)

## CRICKET NEWS

# Ketteridge's blitz sets up 'Heath win

ROBBIE Ketteridge struck a fabulous unbeaten 134 and helped Horseheath crush Camden II by 105 runs in Division One of the Cheffins CCA Senior League on Saturday.

The batsman was given ample support by Jamie Perry (51 not out) and skipper Gary Ellis (42) as the hosts amassed 260 for 5. Michael Griggs and Andy Brown took two wickets apiece for Camden.

In reply, Nick Bright (31 not out) and Kevin O'Grady (30) top-scored, but could not prevent Camden from being dismissed for 145.

Martin Giles was the pick of Horseheath's bowlers with 4 for 31, while Martin Towers (3 for 36) and Ellis (2 for 24) also contributed.

■ **WESTON COLVILLE** chalked up a 49-run success in their Tucker Gardner Cambs & Hunts Premier League, Division Two clash with Cambridge NCI on Saturday.

Opener Adam Taylor was the cornerstone of Colville's 152 for 9 with 58, as Jake Allcock finished top of the NCI bowling with 5 for 35.

However, only Tom Griffiths (35) and Jimmy Handley (25) stood up for NCI as Jake Smith took 3 for 10 to bowl the hosts out for 103.

■ **HAVERHILL** batsman Dan Wilkins hit 30, but could not prevent his team from slumping to their fifth successive Marshall Hatchick Two Counties Championship, Division Two defeat with a seven-wicket reverse at Easton on Saturday.

Easton made 214 for 6, but, despite eight Haverhill players reaching double figures in their innings, Wilkins' knock was the top score and their woes continued as they bowed out on 207 for 9.

■ **WESTON COLVILLE II** were staring defeat in the face from the moment Thriplow II's opening bowler Andrew Woolley took a hat-trick with the first three balls of Saturday's Stumps & Studs CCA Junior League, Division 3C match.

The bowler finished with figures of 4 for 15 from seven overs as his team dismissed Colville for just 63.

Thriplow completed the rout by reaching 67 for 1 and Woolley was always confident of claiming victory after his amazing start to the contest.

He said: "I couldn't quite believe it had happened – it was my first hat-trick and you know it's going to be your day when that happens."

"On the hat-trick ball, people usually try to see it out, but their player wanted to smash it for six and missed, and it took his leg stump out of the ground."

■ **REASON TO SMILE**... Robbie Ketteridge, whose magnificent unbeaten 134 was too much for Camden II on Saturday.

## FOOTBALL

## Rovers' boss Billings leaves the hot seat

■ Continued from Back Page.  
the season – certainly not opposition we would have chosen if given the opportunity.

"I was already feeling the strain before the Needham Market match and, despite a good performance where we shocked the Needham faithful by taking the lead, the eventual 4-1 reverse told me that we would have to raise our game by some distance to make a mark in the league.

"The Mildenhall game confirmed that, while suspensions and non-availability of players meant that consistency of personnel and tactics were difficult to maintain.

"The commitment needed to manage a Ridgions League side was something I was always ready to give.

"However, I noted before the FA Cup home tie with March that, while that commitment was not yet impacting on work and family life, the football club was on my mind most of the time and this was beginning to place me under a fair amount of self-imposed stress – more than I had expected when I took on the role.

"The long and the short of it was that, regardless of the outcome of the March tie, I had resolved to give up the role once our FA Cup destiny had been decided.

"Hence, I submitted my resignation to Steve Brown (chairman) the morning after the replay at March.

"Steve and Terry McGerty (committee member) – both a pleasure to work for – have asked me to stay on at the Rovers in a yet to be determined capacity. I will be happy to do so."

## GOLF ROUND-UP

## Bareham is champion but youngsters shine

THE Haverhill Golf Club Championship was played over two days was a case of watch out, here come the juniors.

Fifteen-year-old Edward Baker played his way into the final group by returning a first round 75 but could not hold it together on the last day.

However, another junior, Robert Rudge, produced the same score to capture the incorporated Spencer Tatum Cup, with a total of 156, by one shot from Baker as Duncan Galloway slipped into third spot.

The F. Johnson Cup (club championship) went to Andrew Bareham, who was never headed over the two days with his 147 being five better than runner-up David Spittle, who had Bob Spittle breathing down his neck on 153.

The split event certainly featured two contrasting rounds, as on the second day, rain posed problems for all the competitors.

But the event proved a boost for the juniors as Rudge, Baker, Jack Warwick and Christopher Vince all performed well and look set to create a new regime in the not too distant future.

**Leading scores:** A Bareham 147, D Spittle 152, A Spittle 153, C Sisson, A Fish, G Scott 154, M Stuart 155, R Rudge 156, E Baker 157, J Warwick 158, C Vince, D Galloway, M Warren 160, D Edwards, D Thomas, E Kiddle 161, L Chandler, D Harkness 162.

■ The seniors' open at Haverhill attracted 112 competitors, who played an 18-hole, fourball-betterball stableford.

The eventual winners were Jim Walker and Barry Carter (Gog

Magog), who secured victory at the final hole thanks to the latter's chipped in birdie shot.

Their score was 43 points, which was one too many for the chasing pairs on the 42-mark.

They were Steve Lythell & Dave Bristow (Manor of Groves) and Brian Smy & Bob Allison (Diss), who could only be split on countback.

■ Earlier a number of players were caught out in some short but heavy downpours during Haverhill's mid-week medal, which resulted in a crop of non returns towards dusk.

The winners of the three divisions were Christopher Vince, Richard Brazier and Peter Amies.

**Results:**  
**Division One:** C Vince 62, D Galloway 66, D Spittle 67, A Carter, M Pickup 68, A Spittle, P McLennan, J Thomson 69, G Carroll 72, P Garner 74, M Warren 75, M Bennett, M Stanton 76, J Skillen, D Cornhill, E Fairhead, A Golder, P Gardner, R Sharp, A Fish, E Bareham, C Sisson non returns.

**Division Two:** R Brazier 67, G Bush 68, R Baker 69, M Dalena, S King, M Calmet 70, S Rex, D Cohen, S Gould, D Parsons 73, S Johnstone, D Bates, D Ross, K Donno, B Jones 75, D McKenzie 76, S Tatum 79, P Wallace, R Metcalf 80, B Sargeant 82, M Wells 85, C Ryan, C Hoy, E Bates, N Seve, M Crawley non returns.

**Division Three:** P Amies 68, P Bowes 69, P Owen 70, J Condon 71, P Sheehy, C Addison 72, M Grove, P Mercer, B Shuter 74, J Fox 77, S Haworth 78, N Farrenden 79, R Hartley 82, M Couzins 84, I Evans 86, M Frere 89, I Raper non returns.

■ The August LGU Medal at Haverhill only attracted one silver division starter, Pat Kennedy, who returned a 73. Winners in the bronze division were Lyn Fish 69, Doreen Darbey 74 and Sally Price 75.

### BOWLS: SPOTLIGHT ON THE EBF CHAMPIONSHIPS AT SKEGNESS

## Bottens lead way to national titles delight

■ TOP TRIO... Steve Botten, left, Margaret Thompson and Liam Botten, who clinched an impressive array of silverware for North Essex at the English Bowling Federation Championships at Skegness. CP.

STEVE and Liam Botten have done a family double at the English Bowling Federation Championships in Skegness.

The Haverhill father and son duo clinched the men's pairs title in convincing fashion with a 22-10 win over Northamptonshire's M Cullingworth and T Collins in the final.

They teamed up with club-mate Margaret Thompson in the mixed rinks to beat Nottinghamshire's J Adams, D Adams and G Gunn in the final 20-16.

But Liam Botten's hopes of a hat-trick fell at the last step after he was beaten 21-7 by P Broughton, of Derbyshire, in the men's under-25 singles final.

The performances of the Haverhill bowlers capped a successful championships for the North Essex Federation, which returned as proud possessors of two national title winners, two runners-up holders and the Fred Winter Trophy for the best Under-25 in the tournament.

This achievement represents the best performance by the county's champions since 2000 and was hailed by both its presidents, Bob Smith and Wendy Debenham, as "absolutely brilliant".

In other competitions, Steve Botten exited the two-bowl singles in the first round, as did Roy Bareham in the Champion of Champions event.

Gordon Williams was beaten in the four-bowl singles second round, but Malcolm Grimwood reached the last four in the secretaries' competition.

In the veterans' pairs, Keith Smith and Mick Harvey lost in the opening round, while George Bullett, Gerald Rice and Gordon Williams bit the dust at the same stage of the two-bowl triples, but only after an extra end.

Grimwood, Andy Barnes and Lea Blackham also failed to make it past the opening round of the three-bowl triples.

The mixed pairs saw an early exit for Bridget King and Peter Crisp.

In the ladies' competitions, Haverhill's Stephanie Smith was a semi-finalist in the Champion of Champions.

Monica Snook lost in the second round, while Smith lost at the opening stage of the secretaries' singles, as did Bridget King in the four-bowl singles and Marie Seabrook in the under-25s.

Maureen Cotton went out in the second round of the veterans' singles and there were further opening round defeats for Snook and Betty Clark (pairs), Gill Searle, Gill Sykes and Margaret Wells (two-bowl triples) and Grace Cutts, Lucilla Davidson and Carol Hobbins (three-bowl triples). The event was saddened for North Essex by the non attendance of veterans' singles champion Eric Moule, who recently underwent an operation and was unable to take part.

### FOOTBALL: MANAGER BILLINGS STANDS DOWN IN WEEK THAT ...

## Rovers get up and running

THERE was finally a light at the end of the tunnel for Haverhill Rovers and their new management team when they claimed their first Ridgeons League, Premier Division victory of the season on Tuesday evening.

Former manager Neil Farlie and ex-reserve team boss Derek Richardson, who took the helm when Larry Billings stepped down at the end of last week, saw their team claim a 2-0 victory over Harwich & Parkston at Hamlet Croft.

Two goals in the opening 20 minutes did the trick as Rovers began to put their woeful start to the campaign behind them.

Tom Shearer put their first goal away on nine minutes and Craig Cutts got the second 11

Farlie and Richardson took over following Billings' departure last Thursday and had to endure the sight of their new charges slumping 6-0 at Kirkley & Pakefield on Saturday.

Kirkley took a seventh-minute lead and did not look back. They made it 2-0 five minutes later and finished the half with the last strike five minutes from time.

Things got worse in the second half as Kirkley turned the screw, banging in a fifth on 58 minutes before completing the rout with the last strike five minutes from time.

News of Billings' departure came in a statement released by the club last Friday, which said that he would remain at the club, helping the committee with several tasks that include

the obtainment of club sponsorship.

"The club are thankful for what Mr Billings has done during his time as first-team manager and look forward to working with him in a more behind-the-scenes role.

"Neil Farlie and Derek Richardson have agreed to take over as joint first-team managers with immediate effect.

"The club would like thank them for accepting the positions."

Commenting on the reasons for his departure, Billings, who took the position during the close season, said: "After a reasonable pre-season, with only one defeat in five, the team was faced with two very tough league games against opposition that will, most likely be top five at the end of
